I need the sea because it teaches me.
I don't know if I learn music or awareness,
if it's a single wave or its vast existence,
or only its harsh voice or its shining
suggestion of fishes and ships.
The fact is that until I fall asleep,
in some magnetic way I move in
the university of the waves.

...
What it taught me before. I keep. It's air
ceaseless wind. water and sand.
